

RIGHT CHOICE FOR OLDER ENGINES PRICES REDUCED BY UP TO 35%

For you, as a long time owner, or if you recently bought an older Volvo Penta engine we would like to ensure that the engine performance will remain the same by using Genuine Volvo Penta Parts. Therefore we have introduced "Right Choice" which is a concept where we have selected the most common Genuine Volvo Penta Parts, and reduced the prices to a more attractive level. This will benefit you as a Volvo Penta engine owner when it comes to maintaining your engine and keeping it running for many years to come.
