

# EXTENDED COVERAGE

For Marine Commercial products

---

## More running hours with full coverage

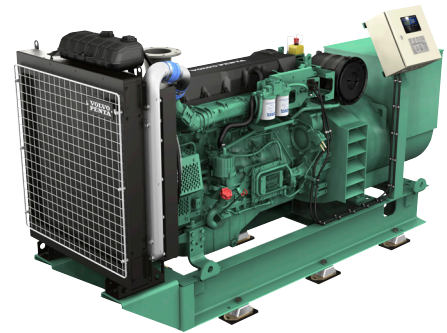

In addition to our normal warranty, you can now sign up for our Extended Coverage program and increase the number of running hours with full coverage of the complete Volvo Penta package.

## Full coverage

The program includes the same full coverage as in the standard first year warranty for up to four additional years. It covers repair and replacement of defective parts, including all Volvo Penta-branded products, but excluding consumables.

The Extended Coverage program can be purchased when the engine is ordered or within three months of the date of warranty registration.

Maximize uptime, and minimize unexpected repair costs with the Extended Coverage program.

**THE EXTENDED COVERAGE PROGRAM** covers all diesel propulsion and auxiliary engines used in commercial applications.

## General

- Available worldwide for all Volvo Penta-branded marine commercial diesel engines
- Can be purchased when the diesel engine is ordered or up to three months from the date of warranty registration

## Prerequisites \*)

- Applies only to products in commercial use
- Regular service and maintenance according to applicable service schedule
- Complete commissioning report
- Terms and conditions apply

\*) For complete conditions and terms, visit [volvopenta.com/extendedcoveragemc](http://volvopenta.com/extendedcoveragemc) or contact your local Volvo Penta dealer.

Every effort has been made to ensure that facts and figures are correct at the time of publication. However, Volvo Penta reserves the right to make changes without prior notice at any time.

# WARRANTY AND EXTENDED COVERAGE DURATION FOR EACH ENGINE

Engines Inboard	Rating	Total number of running hours (including first year standard warranty)			
D3	5	400	600	800	1000
