

VOLVO PENTA INTERNATIONAL LIMITED MANUFACTURER WARRANTY STATEMENT - INDUSTRIAL

INTRODUCTION

New Volvo Penta industrial engine configurations, parts and accessories and components (the "Product" or "Products") are covered by the Volvo Penta International Limited Warranty according to the conditions and instructions stated in this Limited Warranty Statement. Engines type-approved for conformity with US EPA or California ARB regulations are also covered by the Emission Control System Warranty Statement (available at www.volvopenta.com). Please take the time to read this Warranty Statement and the Service book carefully along with your Operator's Manual which has also been provided with your engine package before starting or using the Product for the first time.

This is a limited warranty offered by Volvo Penta as the manufacturer of the Products and is offered in addition to any rights that you may already have against the person who sold you the Products or against Volvo Penta under mandatory law.

On the day your new product is delivered, the party who sold it to you, or the Volvo Penta Business Partner, will register the product with the online Product Center. For your convenience you have the possibility of obtaining a printed customer copy for safekeeping in the CD folder for warranty information.

To enable you to assert your rights in connection with this warranty, our dealers will check warranty validity in the Product Center. A copy of the relevant invoice or receipt is valid as warranty certification for replacement parts and accessories.

Contact your Volvo Penta Business Partner if you have not received an Operator's Manual or if you are uncertain whether product registration has been carried out.

THE INTERNATIONAL LIMITED WARRANTY

GENERAL

This is to certify that AB Volvo Penta, (hereinafter "Volvo Penta") Gothenburg, Sweden, warrants that the Product is free from defects in material and workmanship for the Limited Warranty Period under the conditions and with the limitations specified in this Warranty Statement.

Any parts used for repair or replacement during the Limited Warranty Period will benefit from the same warranty assurances as set out above for the remaining time of the Limited Warranty Period.

This International Limited Warranty does not apply in countries where Volvo Penta is not represented.

LIMITED WARRANTY PERIODS, GENERAL

The limited warranty's validity begins at the time the product was delivered to the first dealer or user and will continue for the period listed under the heading LIMITED WARRANTY PERIODS. The delivery date is recorded in the Product Center together with all the other relevant information and is accessible to both Volvo Penta Business Partners and you the customer. It is the owners' responsibility to make sure that the registration in the Product Center has been done.

LIMITED WARRANTY PERIODS

PARTS & ACCESSORIES SOLD BY, AND INSTALLED BY A VOLVO PENTA DEALER (purchased after engine package delivery)

-Twenty-four (24) months

HOUR LIMITATION: 3000h (excluding power standby and emergency fire pumps, 1000h)

The Twenty-four (24) month Parts warranty will apply and follow the same terms and conditions as the AB Volvo Penta International Limited Warranty. The warranty coverage will begin from the date of sale specified by the invoice/ transaction document. The customer is required to produce an invoice/ receipt as proof of purchase to qualify for warranty in these cases.

All products, including engines, transmissions, components, parts and accessories which were replaced or repaired during the warranty or additional coverage period at no cost to the owner/end customer, will receive the remainder of the original warranty period for such products. For example, if a product is registered for warranty in Product Center and is entitled to a 24 month warranty period, and a warranty repair is performed after 22 months, any parts replaced or repaired at that time will receive the remaining 2 months warranty coverage.

WHAT THE LIMITED WARRANTY COVERS

Volvo Penta will either repair or replace defective Products or parts, whichever is decided by Volvo Penta. A defective Product which is covered by this International Limited Warranty is a Product that is found to have an inherent defect which existed in it at the time of shipment from the relevant Volvo Penta facility.

WHAT THE LIMITED WARRANTY DOES NOT COVER

- This limited warranty does not apply to defects caused by transportation, installation or repairs.
- This limited warranty does not apply to defects caused as a result of any of the following:
 - abnormal use
 - carelessness, misuse
 - competition use or preparation for competition use
 - over or under loading
 - insufficient lubrication
 - cavitation
 - normal wear and tear
 - use of spare parts not approved by Volvo Penta
 - incorrect installation or parameter setting
 - accidents
 - natural phenomenon such as lightning, thunderbolts, flooding
 - war, uprisings, acts of terror or other force majeure events
 - improper storage
 - corrosion
 - failure to comply with Operator's Manuals, maintenance instructions, installation instructions or any other applicable Volvo Penta instructions
 - alterations or modifications of the Product, including alterations or modifications of software or electronic devices

CLAIMING UNDER THE INTERNATIONAL LIMITED WARRANTY

It is the responsibility of the owner of a Product to report any defect in the indicated product to a Volvo Penta Market Unit/Importer/Distributor/Dealer or Workshop. A list of Volvo Penta distributors is available at www.volvopenta.com. Such a report must be made as soon as possible and no later than fourteen (14) days from the date when the user first observed the defect or ought to have observed it and consequently in no case later than fourteen (14) days after the Limited Warranty Period or Extended Warranty period has expired.

The owner is recommended to secure evidence of the date when the report was made, for example a copy of a letter. The owner must establish the eligibility of the limited warranty or additional coverage by showing necessary documentation.

LIMITATIONS OF LIABILITY

The repair and replacement remedies described above are the sole and exclusive remedies available to you in respect of this International Limited Warranty. Volvo Penta is not liable to you whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any indirect, incidental or consequential loss (including, without limitation loss of use, loss of income, loss or disturbance of production, loss of profits, loss of time, loss of property, cost of travelling, cost of transport, extra costs incurred to make the Product accessible, cost of docking and cranes) arising under or in connection with this International Limited Warranty. All warranty repairs must be carried out by an Authorized Volvo Penta dealer during normal working hours. This also applies abroad.

Volvo Penta does not authorize anyone to assume any other liability on its behalf in connection with the sales of Products than described in this Warranty Statement.

Volvo Penta reserves the right to make any changes to products manufactured and/or sold at any time without prior notice and without incurring any liability or obligation to make the same or similar changes to products previously manufactured and/or sold.

This Limited Warranty Statement has been drafted in the English language which should be the controlling language. In case of any discrepancy between a translation of this document and the English version, the English version shall prevail.

OWNER'S OBLIGATIONS - IMPORTANT

As Volvo Penta does not have any control over the installation of its Product(s) we recommend the owner to ensure that the Volvo Penta Business Partner checks and ensures that the Product(s) is (are) installed correctly. A correct installation is an absolute condition for the validity of the Volvo Penta International Limited Warranty.

It is the owner's obligation for the operation, maintenance and care of Volvo Penta Products in accordance with the instructions and requirements stated in the Operator's Manual during and after the Limited Warranty Period. Operation should be in accordance with the engine application definition.

Records should be kept of all maintenance services performed including engine oil and filter changes. This record of proper maintenance is required for the purpose of determining warranty coverage on repairs and it is the responsibility of the owner to transfer such documents to the subsequent owner.

All services relating to the Products have to be performed by an authorized Volvo Penta Business Partner.
