# **VOLVO PENTA INTERNATIONAL LIMITED WARRANTY STATEMENT**

MARINE LEISURE

## INTRODUCTION

New Volvo Penta marine engine configurations, parts and accessories (herein "Product" or "Products") are covered by the Volvo Penta International Limited Warranty (herein "Warranty") according to the terms, conditions and limitations stated herein. Please take the time to read this Warranty Statement and the Service book carefully along with the Operator's Manual which has also been provided with the Product before starting or using it for the first time.

This Warranty is offered by AB Volvo Penta to the owner or end user of a Product (herein "Customer"). It is in addition to any rights the Customer may have under applicable mandatory law.

This Warranty will be fulfilled in cooperation with Volvo Penta Business Partners (including Importers, Distributors, Dealers and Workshops, that have been authorized by Volvo Penta).

On the day a new Product is delivered, the party who sold it, or the Volvo Penta Business Partner, will register the Product online in Volvo Penta's Product handling system called Product Center. For convenience, a printed customer copy may be obtained from a Volvo Penta Business Partner. For information on how Volvo Penta handles personal data pertaining to the Product registration, please visit [www.volvopenta.com](http://www.volvopenta.com).

To enable Customer to assert his/her rights in connection with this Warranty, the Volvo Penta Business Partners will check the warranty validity in Product Center. A copy of the relevant invoice or receipt is valid as warranty certification for replacement parts and accessories.

**Contact a Volvo Penta Business Partner if an Operator's Manual has not been received or in case of uncertainty whether product registration has been carried out or not.**

## GENERAL
